---

CAREER EXPERIENCE:

---

**Software Engineer**

NASA Jet Propulsion Laboratory, Pasadena, CA

April 2009 – Present

- Develop knowledge management tools for NASA-wide engineering document repositories.

**Web Application Developer**

Financial Aid Office, UCLA

Oct. 2007–Present

- Developed an online human resource management system for the UCLA Financial Aid Office, resulting in an annual savings of over 192 department work hours. Utilized VB. NET, MS SQL, and IIS 6.

**Software Engineer**

AT&T Interactive, Glendale, CA

Summer 2008

- Designed and developed a prototype Safari based iPhone application utilizing RoR and geolocation functionality to provide accurate, location based mobile search. Promptly released to the iPhone App Store and featured on popular technology blogs including Gizmodo and Geeksugar.
- Constructed numerous web applications using RoR to research search engine optimization techniques.
- Designed and developed an internal search quality analysis tool using RoR, jQuery, and AJAX techniques, reducing data collection effort to one keystroke per item.

**Associate Web Developer**

QAD, Inc., Carpinteria, CA

Summer 2006

- Developed an online advertisement delivery platform, providing targeted ad placement, campaign analytics, and management centralization for marketing efforts across QAD's global websites. Utilized LAMP platform.
- Collaborated among a global team with members in Antwerp, Belgium and Tokyo, Japan to develop a website for the launch of a flagship product.

---

EDUCATION:

---

**University of California, Los Angeles**

Bachelor of Science, Cognitive Science, Specialization in Computing (GPA 3.187)

June 2010

(Expected)

---

AWARDS AND HONORS:

---

- Orfalea Foundation Scholarship
- Daniel and Anne Hawkes Memorial Scholarship
- Philip and Frances Carpel Scholarship
- Santa Barbara Host Lions Club Scholarship

---

ACTIVITIES:

---

- UCLA Association for Careers in Technology - Corporate Planner (2007–Present)
- UCLA Club Tennis (2005–Present; 4.0 NTRP)
- Campus Crusade for Christ (2005–Present)
